

Description	Item No.
RP 100-s Cast Iron Rotary Pump	
2 chamber vane pump with 3 part aluminum suction tube suitable for barrels up to 200 litre drum adaptor 2" BSP for diesel, motor, gearbox and hydraulic oils up to SAE 90	
output: 250 cc per revolution	
RP 100-s	34 610 10
RP 100-d Aluminum Rotary Pump	
2 chamber vane pump with 3 part aluminum suction tube suitable for barrels up to 200 litre drum adaptor 2" BSP, with 1.1 m hose, outlet spout and fastening clamps for diesel, motor, gearbox and hydraulic oils up to SAE 90	
output: 250 cc per revolution	
RP 100-d	34 610 34
RP 100-M Aluminum Rotary Pump with Trolley and Pump Bracket	
2 chamber vane pump with aluminum suction tube set suitable for 50-60 litre drums, with 1.2 m delivery hose, ball valve with nozzle for gear oil, drum adaptor 2". Trolley for 50-60 litre drums with pump support bracket.	
for diesel, motor, gearbox and hydraulic oils up to SAE 90	
output: 250 cc per revolution	
RP 100-M with trolley	34 610 58
Hose for Rotary Pumps RP 100	
spare hose, length 1.1 m, for rotary pump with spout and securing hook	
Hose for rotary pumps RP 100	34 620 55
Ball valve with hose tail for aluminum rotary pump RP 100-d	
Ball valve for RP 100-d	34 620 62
3 Part Aluminum Suction Tube for Rotary Pumps RP 100-s & RP 100-d	
3 part aluminum suction tube	34 612 70
