

Description: Gear pump unit
 Type: Simplex
 Part number: 10190327

Technical data:

Type	Simplex
Kind of system	Single-line
Construction type	Gear pump
Conveying medium	Oil/Fluid grease
Lubricant filling	without
Reservoir size [l]	3
Drive	electromotive
Level monitoring	with
Function	Contact open/reservoir empty
Delivery volume at 1400 r.p.m.	0,25 l/min
Delivery volume [l/min]	0,4
Motor synchronous speed [r.p.m.]	2300
Max. operating pressure [bar]	35
Pressure connection	G1/4 internal, plastic
Pressure limiting valve	with
Final pressure of PLV [bar]	35
Pressure switch	with
Setting of pressure switch [bar]	20
Type of current	Alternating current
Operational voltage [V]	85 - 305
Electrical connection type	1x socket EN 175301-803 A +1x M12x1
Control	without
