## Applications

## Technical Specifications

| dash | Size |      | Working Pressure (MPa) | Flow Rate (l/min) | Spillage (ml) | Burst pressure (MPa) |        |               |
|------|------|------|------------------------|-------------------|---------------|----------------------|--------|---------------|
|      | mm   | inch |                        |                   |               | Male                 | Female | Male + Female |
| 04   | 6.3  | 1/4" | 25                     | 20                | 0.008         | 100                  | 100    | 100           |

|                      |                         |
|----------------------|-------------------------|
| Material             | Aluminium; Steel        |
| Seals                | NBR; PUR                |
| Working temperatures | - 25 °C to 100 °C       |
| Surface treatment    | MATE 500 (CrIII); Paint |

|                           |                  |
|---------------------------|------------------|
| Valve Type                | Flat             |
| Connection                | Lever            |
| Disconnection             | Lever            |
| Connection Under Pressure | Allowed Residual |

# P1504
