

## Two part heavy duty ratchet set with closed hooks - 4.000 kg

This ratchet set consists of a tensioning device with a sewn band with a closed hook end and another band section with a closed hook end.

This item is essential to immobilize any type of freight that is transported by land, air or sea. In addition, its correct application avoids possible damage due to bumps, friction and movement or tipping during the transport of the load.

<b>MATERIAL:</b>	100% Polyester band Steel ratchet and hook PVC ergonomic part
